If you have family members or know of families who have young children in K-12th invite them to join our Faith Formation programs!

K-5th Grade– will continue doing home study learning with one in person meeting through the end of the year until the building is completed.

MS/HS Faith Night-Rotate every other Sunday to meet. Meet in the parish office until further notice.

Thank You to all who participated in Trunk or Treat! It turned out amazing & it was successful!

Please look for save the date announcements regarding youth faith activities.

Question of the Week:

Theme-We must give to God until we have given enough.

As you listen to today's Gospel take time to think about a word or verse that my have caught your attention and does it affect you?

Question for Children: What part of your own possessions are you called on to share?

Question for Youth: When you think of your own life, do you consider yourself to be rich or poor? How do you spend your money? Is there anything you should be doing differently?

Question for Adults: When do you know that you haven given away enough?

Activity of the Week: Together with your family and the week of stewardship approaching, try to participate in this activity.

- ◆ For one week, keep track of some of the many appeals for charity you witness, either in the mail or the television. Discuss it with your family: which appeals seem especially worthy? How much money can we contribute to charity this week? Should some of the money be sent to one the appeals? What sacrifices will the family need to make in order to be able to contribute to a chosen charity?

Marriage Moment #962

Your spouse may not always act like a saint. None of us do, but I bet you can find a saintly quality if you pay attention. Is he or she generous, humble, self-sacrificing, courageous... Celebrate the saint you are living with today.
